

### PROCEDURES FOR IN-SLIPS

- (a) Upon arrival to the racetrack the Transport Company, Trainer or Assistant Trainer must supply an **In-slip** before horses are admitted to the stable area.
- (b) In order to receive In-slip authorization, the Transporter, Trainer or Assistant Trainer must supply the following.
  - (i) **Whether horse registration papers are in Racing Office (yes or no)**
  - (ii) **Name of horses, gender and age.**
  - (iii) **If horses are unnamed the name of the Dam and Sire must be listed in that order.**
  - (iv) **Trainers name, approximate durations of stay and if the horse is in to race.**
  - (v) **Horse papers must be filed in the Racing Office within 48 hours after the horses have arrived.**
  - (vi) **All horses must be listed on the stall allocation list before admittance to the stable area.**

**Note: Failure to provide any of the above information may result in the horse being denied access to the grounds.**

### PROCEDURES FOR OUT-SLIPS

- (a) Before shipping any horse out of the stable area an **Out-Slip** must be completed and signed by a designate of the Racing Office.
- (b) All drivers of exiting vans or handlers of horses being led out must stop at the Security Gate to ensure that an Out-Slip is handed in.
