HASTINGS
GREAT CANADIAN GAMING

January 1, 2012

NOTICE TO HORSEMEN

Upon arrival to the Hastings Grounds all horses in the undersigned trainer's care shall be properly vaccinated. This includes CURRENT (January, 2012) vaccinations for Flu and Rhino, and proof of Strangles vaccination in the past Three (3) years. Vaccinations must be signed off by a licensed veterinarian. No horse will be allowed on the grounds without this certification. This form must precede or accompany each horse prior to arrival.

In addition, this notice may be used as an affidavit from your veterinarian signifying compliance with this policy.

I _____ DVM certify that the following horses under my veterinary care have been inoculated against the strangles bacteria (Streptococcus equi) since January 2009 as well as common forms of Influenza and Rhino:
